Dear Hugh

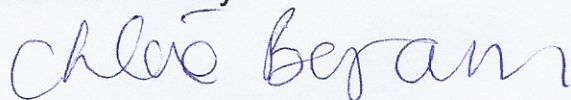

Thank you so much for your recent donation of £897 raised through your website links to Amazon. This is enough to provide a lasting supply of safe water to over 59 people, transforming their lives forever, so it really will make a difference.

Last year WaterAid reached over 2 million people with safe water and over 3.1 million people with sanitation. But there are still 650 million people living every day without access to safe water, and over 2.3 billion that don't have a decent toilet.

Our vision is a world where Everyone, Everywhere has access to these basic services by 2030. With the help of all our supporters we can all make this vision a reality.

Thank you once again for your donation, it is greatly appreciated.

Yours sincerely

Chloe Bayram
